

# EasyChair instructions for Authors

The submission and review of papers for NICFD 2016 will be managed through an online conference paper management system called [EasyChair](#). This system gives you, the author, complete control over your submission. You can upload your abstract and check on the review status of your submission. The submission process consists of four stages:

1. Abstract submission
2. Draft paper submission
3. Revised paper submission
4. Final paper submission

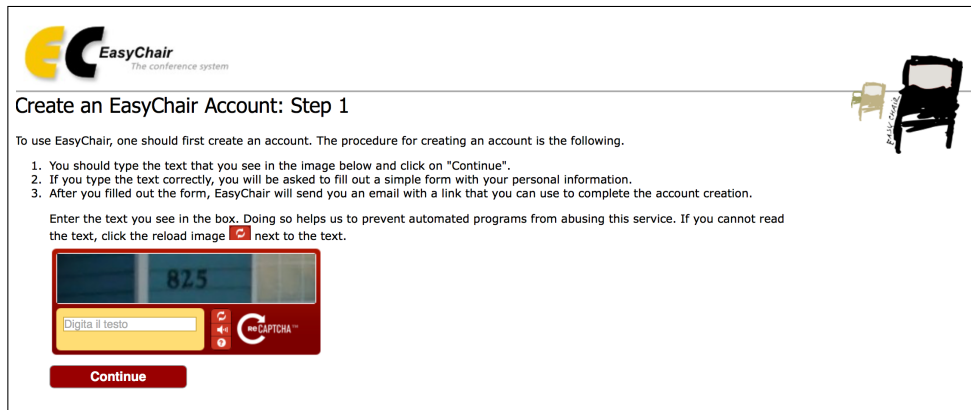

The Scientific Committee will review all abstracts and notify the results to authors. The authors of accepted abstracts will be asked to submit a draft paper. Draft papers will be revised with the help of anonymous referees. The authors of accepted draft papers will be asked to submit a revised version. The result of the second revision will be notified after the conference, so that the final version of the paper will benefit from the discussions and opinions collected during the conference. This guide is intended to support authors during the submission process. It has five parts:

- Setting up an account
- Abstract submission
- Draft paper submission
- Revised paper submission
- Final paper submission

While the procedure is quite simple and thus we do not anticipate users running into trouble, we are happy to help if you encounter problems. In the event that you do need help, please contact the technical chair at: [nicfd2016@easychair.org](mailto:nicfd2016@easychair.org).

By clicking on this tab, you will access information about your submission, as shown in Figure 10. In particular, using the menu in the top-right corner, you may change the title, abstract, and keywords by selecting “Update information” and you may also update authors using the “Update authors” page. Most importantly, you have to submit a draft paper by selecting “Add file”. Once you have uploaded a draft paper, you may change the file by selecting “Update file” from the right-hand menu of this screen (which will replace the “Add file” link).

The screenshot shows the 'NICFD 2016 (author)' interface. At the top, there is a navigation bar with links: 'New Submission', 'My Submissions', 'NICFD 2016', 'Support', and 'EasyChair'. The main heading is 'Update a File for Submission 1'. Below this, a instruction says: 'Use the form below to upload or update a file for your submission.' The form contains a table with two columns: 'File' and 'Admissible file extensions'. The 'File' column has a text input field with the placeholder 'Scegli file' and the text 'nessuno selezionato'. The 'Admissible file extensions' column has the text 'PDF (extension .pdf)'. At the bottom of the form is a red 'Submit' button.
